Dear <Customer Name>,

Your current electricity aggregation plan ends soon.

Thank you for being a Constellation customer through your participation in the Passaic County Energy Cooperative Pricing System (PCECPS). We wanted to let you know that your current fixed rate contract through the PCECPS will end with your **December 2016 meter read**. After that time, your account will be returned to <LDC> for electricity supply service.

Thank you again for participating in the electricity aggregation plan.

Sincerely,

Kevin Klages
Vice President of Mass Markets, Constellation
